### S 1000 R (K47/11) Accessory Overview

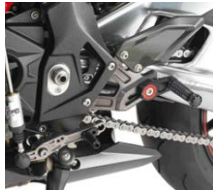

**Overview:** BMW Motorrad offers a diverse range of accessories for the new S 1000 R (K47/11) with numerous products already well-known from the predecessor model. The following changes are to be taken into account:

- The new S 1000 R is already equipped as standard with the HP sports muffler. As a result, the sports muffler, the HP titanium exhaust system and the HP carbon mounting have been discontinued from the previous range of accessories.
- The new S 1000 R uses the HP footrest system from K46/13. In terms of functionality and range of adjustment, this corresponds to the familiar footrest system from K46/12. The only thing that has been changed (from K46/12 to K46/13) is the part number on the right-hand side (due to the omission of the bracket for the series exhaust gas system).
- The new HP carbon wind deflector completes the large range of familiar HP carbon mounted parts (also suitable for retrofitting to "old" K47 models).
- The well-known assortment of storage accessories (tank bag and rear bag) is being expanded to include a passenger seat bag and saddlebags. These products fit both the K46/12 and K46/13 as well as the K47 and K47/11.

**Parts Information:** Please see the attached list within this bulletin for detailed parts information. All prices listed are M.S.R.P. and may be subject to change.

**Product Information:**

Product Description	Part Number	Product Overview	Photo	MSRP
<b>HP Parts</b>				
HP Rearset, Left	77 25 8 550 773	<ul style="list-style-type: none"> <li>CNC-milled HP footrest system.</li> <li>High-strength aluminum alloy, lightweight and extremely dimensionally stable, 3-color anodized.</li> <li>Numerous adjustment options for footrests as well as shift lever.</li> <li>Ideal adjustment to suit individual requirements for substantial enhancement of comfort and safety.</li> <li>Carbon Fiber heel guard.</li> </ul>		\$524.00
HP Rearset, Right	77 25 8 569 048 (+) 34 32 8 549 515 (+) 07 11 9 963 072 x4	<ul style="list-style-type: none"> <li>CNC-milled HP footrest system.</li> <li>High-strength aluminum alloy, lightweight and extremely dimensionally stable, 3-color anodized.</li> <li>Numerous adjustment options for footrests as well as brake lever.</li> <li>Ideal adjustment to suit individual requirements for substantial enhancement of comfort and safety.</li> <li>Carbon Fiber heel guard.</li> </ul>		\$623.14
